## Introduction

The ***Financial Statistics Report, FY2007*** displays income and expenditure data submitted by 361 (98%) of the Commonwealth's 370 independent public libraries.

Data in this report is displayed in two separate tables; Total Income and Expenditures and Per Capita Figures. Definitions for all of the data items presented are provided at the end of the report.

This report provides information that may be used to describe library services, support long-range and budget planning, strengthen service evaluation and advance informed decision-making. Users will want to interpret this data in the context of the service roles adopted by each library and expressed in its mission statement.

The data in this report reflects considerable time and effort spent by library directors who have carefully responded to the agency's surveys. Their work contributes to planning library services and development at the state and national levels as well as the local level, and is greatly appreciated.

Column Heading	Definition
Library	Name of the municipality in which the library is located, followed by a shortened library name when the library is located in a municipality with more than one independent library or, in the case of Hamilton-Wenham, the name of the library serving both municipalities.
2006 Pop	For libraries in municipalities with one independent public library this is the population of the municipality from the 2006 population estimate for the municipality in which the library is located. For multiple independent public libraries in the following municipalities, this is a percentage of the municipality's 2006 population estimate (these percentages may add up to more than 100% of the municipality's total population, due to overlapping populations served): Acton, Barnstable, Chatham, Dennis, Falmouth, Hardwick, Harwich, Natick, Northampton, Northfield, Shelburne, South Hadley, Warren. The total population for each of these municipalities appears in the 'Municipalities with Multiple Independent Libraries' section. For the Hamilton-Wenham Public Library, a joint library, this is the total of the 2006 population estimate for Hamilton and Wenham.
Reg	Regional Library System of which the library is a member. B=Boston, C=Central, M=Metrowest, N=Northeast, S=Southeastern, W=Western
